Dear Kitchener families:

We are all looking forward to finish the school year with some positives for your children. Many good moments around their learning have happened during the third term. As a staff, we are also very proud of the many contributions our parent community and PAC have made. At this time, I wish you the very best this summer. May you remember Kitchener as a welcoming, positive school community. We bid farewell to all of our grade 7 students. We hope they will have lasting memories as their time closes at Kitchener. Best wishes to our leaving staff. We wish them the very best in their future teaching experiences. I would also like to thank Mr. Phillips who leaves as our head teacher. He will be the new head teacher at Maywood Community School and will be missed. He has added greatly to our school community and has made much impact towards students, staff and parents. We wish him the very best at his new school. Thank you for welcoming me since January and I appreciate your positive feedback and conversations that we have had so far.

We look forward to a new school year in the fall. Stay well throughout the summer months.

Sincerely,

Mr. D. Klarich
