Dear Kitchener families:

We have enjoyed the learning opportunities and growth in your children these past few months. As Spring Break is around the corner, know that we look forward to some new experiences for them starting in April. For example, Mr. Hayes has started basketball for grades 5 to 7 students. We look forward to some coed games after Spring Break. 100 days of learning just passed this

week. So many learning opportunities and our youngest students were excited about this in various classrooms. Your child received their report card last week. Please follow up with your child's teacher if you need further information. We are proud of their strengths and look forward to continued growth as they approach term three. Lastly, we celebrated Carnival Day by including students in many different activities. Thank you to our P.A.C. for their support in these programs. Our staff/student basketball game was a success. Many staff participated and our older students showed excellent Hawks spirit!

We hope your family has a restful Spring Break. Thank you for your continued support here at the school. Our school community continues to grow, and I will update all of you with these changes in the near future. It is hard to believe that summer session at Kitchener is around the corner. As always see our school website for updates and events at Kitchener.

Stay well and be safe!

Sincerely,

Mr. D. Klarich
