Dear Parents/Guardians,

We are very pleased to welcome your child to Kindergarten in Burnaby. Our full day Kindergarten program offers young children meaningful learning opportunities in a play-based environment. For many children, Kindergarten is the first step in transitioning from preschools, daycare settings, or home environments to a formal school setting where there is one adult with up to 20 children.

Gradual Entry, where students attend a few hours a day and build toward full time attendance, allows children to connect with their teacher, feel comfortable at school, make friends, and understand routines. If you believe your child requires a longer period to transition to a full day Kindergarten program, please discuss this with your child's teacher so that school staff can collaboratively plan with you to ensure your child is successful.

Interviews during Parents as Partners will take place in mid September. More information will follow in early September. Following gradual entry, all Kindergarten students will begin full time instruction on **Monday, September 19** (with unique exceptions determined by parent/teacher/school).

We are looking forward to having your child as part of our school community.

Yours sincerely,

Mr. D. Klarich  
Principal  
Kitchener Elementary School
