Hello Kitchener Elementary parents and guardians,

We are very pleased to announce that we have partnered up for a 3<sup>rd</sup> year with **Sun-Oka Fruit Farms** to sell their delicious farm-fresh apples. You can find out more by clicking this link:

These are not just the ordinary apples we are used to getting in our grocery stores. This century-old family farm has won all kinds of major awards for their fruit. They won the prize for growing the best apples in Canada for eight straight years. These are the highest quality apples available anywhere.

You'll get the best apples you've ever eaten... and save some money. Plus, with each box sold Kitchener Elementary will raise \$8-10. The funds we raise are so important for providing additional school resources that will enrich and enhance our kids' academic, physical and social growth.

Also, we ask that you please consider sharing this fundraiser sale with your nearby friends and family. Apples are far-and-away the most popular fruit in Canada, so it's highly likely that you have many apple lovers in your life. Everything is done online, so you won't have to deal with any of the hassles of collecting money or keeping records.

**New this year!** When you create an account with Sun-Oka, you'll get a Sales Link to share with your friends and family. If they purchase using this link, then YOU get a discount on your personal apple purchase!
